

Bible Study

Mothers with children of all ages gather together for prayer and discussion of topics relevant to raising children in a way that reflects Christian values and Catholic traditions. We discuss the spiritual calling of motherhood and support each other through the various challenges of parenting. This group provides a wonderful opportunity to become friends with women who share similar family values. New Members are welcome anytime through the year.

2009-2010 Schedule:

Tuesday mornings 9:30 -11:30

Thursday evenings 7 – 9pm

This summer (2010) we will be offering the second half of our *Sisters in Scripture* Bible Study for women led by Susan Gill. We will be covering women of the New Testament. Please plan to join other women of the parish who thirst for a literal and contextual reading of Scripture this summer.
