### **CRASH - Christian Recreation And Spiritual Harmony,**

is the youth ministry program here at St. James Church. CRASH has been in existence for 26 years and still continues to be a vibrant, active and growing "family" ministering to all the youth of the parish and surrounding community in grades 8-12. Youth and adult leaders work together to plan the various themes for the Monday evening meetings that take place throughout the school year from September to May from 7-9pm in the CRASH room. In addition to the weekly Monday evening meetings, CRASH sponsors and participates in a number of volunteer and recreational activities throughout the year as well. New adults (VIRTUS) and youth are always welcome and encouraged to join! If you are interested in learning more about CRASH, contact Quincy Walzer - 609 - 883-7448.

In case of inclement weather, there will either be a CRASH phone tree or an email message that will be sent out. If you do not receive either, then CRASH will occur. In such a situation, your attendance should be based on your own comfort level and judgment.
