

Library - (Resource Room)

For all those who are thirsty for an ever-deepening relationship with God, our library, or the Resource Room, as we refer to it, offers a wellspring of spiritual riches. Located in the Family Center, this is a lending library open for self-service after each Mass and throughout the week. We have a variety of audios and videos to go along with a large selection of books covering topics such as Christian Concerns, Social Justice, Family Life, Biblical Studies, Theology, Liturgy, and Spirituality.

Our Children's Corner has many books and videos for your preschool and grade school age child.

We also have many periodicals on file:

America, Catholic Update, U.S Catholic, St. Anthony's Messenger, Commonweal, Catholic Parent, Sojourners, and others.

Please stop by for a visit and sit awhile in our comfortable couch and chairs.
