

## **Soup and Study**

Adult Faith Formation puts together a few Soup and Studies each year. Typically, two in the Fall and two in the Spring. Speakers come from the parish or from outside the parish and are invited to address a variety of topics. This is done in a relaxed atmosphere at dinnertime on Sunday evenings. A committee of volunteers provides homemade soup and desserts, bread and beverages that nourish the community spirit while our faith is nourished through the guest speaker's inspiring words. A brief discussion usually follows. This is a wonderful way to meet and gather with our faith community.

### **Speakers scheduled for Fall, 2009**

September 27<sup>th</sup> – Jackie Callahan, pastoral associate and DRE at St. Catherine in Middletown, NJ. Her topic is the person of Jesus.

November 8<sup>th</sup> – Sr. Suzanne Golas, CSJP, “founding mother” of WATERSPIRIT, which concentrates on sustainable development and environmental issues, specifically, water. She will be speaking on the Earth Literacy program at Genesis Farm, Blairstown, NJ

We always welcome new volunteers to become involved in the preparation of our Soup and Studies as part of our Adult Faith Formation Team.
