

## **Kindergarten at St. James**

The Kindergarten program meets each first and third Sunday, from October through April. Meeting times are during our 9:45 and 11:30 Masses.

During the year the children are busy learning about some simple topics that help him/her experience God's love for each of us. Our lessons focus on Jesus the Teacher, the Holy Days and special religious celebrations such as Baptism. Parent participation and suggestions are welcome throughout the year.
